Helsingborg Family Library Card

This library card provides you with access to books and other media at the libraries in the municipalities included in the Helsingborg Family collaboration: Bjuv, Båstad, Helsingborg, Höganäs, Klippan, Landskrona, Perstorp, Svalöv, Åstorp, Ängelholm and Örkelljunga.

For those who tend to borrow books from various libraries, this allows you to combine your borrowing under one card and allows you to borrow and return items to the library that suits you best.

Confidentiality

In order to be able to borrow you need to sign to agree that your personal data will be recorded in the shared library system*. Your data will be used to manage library borrowing, reservations and any fees. Your borrowing will be confidential, which means that no one other than you will be able to find out what you have borrowed.

As soon as the borrowed item has been returned and any fees have been paid, the information about your borrowing will be deleted from the computer system. Library employees are naturally subject to confidentiality.

We hope you will enjoy using your new card!
